

# MANUEL PORTERO LEIVA

RPA/Software Developer

Barcelona, ES

+34 629947930

manuel.portero.leiva@gmail.com

## Personal Profile

Well educated RPA and Software Developer with more than 3 years of experience in Power Platform, UiPath, and Cloud Development. I'm analytical, problem solver and I have good communication skills, especially with people that don't have a technical background. I have experience working in different countries with people from other cultures.

## EXPERIENCE

### Power Platform / RPA Developer

06/2022 - Present

OMYA Business, Barcelona, ES

Develop, maintain and operate OMYA's robot service. Supplying OMYA's plants and business around the world. My tasks in this role are:

- Coding robots using UiPath and Visual Basic, JavaScript and PowerShell as a language code.
- Build and manage CI/CD operations with Azure Devops.
- Develop auxiliar apps with PowerApps and create auxiliar PowerAutomate flows in order to automate daily team tasks.
